CLERK OF THE COURT
W. Tenoever

v.

PLENTY FOR ALL, et al.

JOHNNY J SORENSON

RICHARD A DRAKE

RULING

The Court has considered Defendants' Application for Attorneys' Fees Against Barski Drake Brown PLC. The Court did grant leave to seek a fee award, but the Court did not indicate that it was inclined to grant the request.

The most troubling allegation, that Mr. Drake was not candid with the Court when he asked for an extension of time, is most appropriately addressed by the State Bar in light of the length of time that has elapsed since the event and the absence of any material effect on the litigation. The conflict of interest issue is also best addressed by the Bar. None of the other conduct rises to a level at which sanctions are warranted.

IT IS THEREFORE ORDERED the application is denied.
